In furtherance of this covenant, the District agrees to comply with the covenants contained in the Nonarbitrage Certificate. The District hereby agrees to deliver instructions to the Paying Agent in order to comply with the Nonarbitrage Certificate. The District will not make any use of the proceeds of the tax-exempt Bonds or any other funds of the District, or take or omit to take any other action, that would cause the tax-exempt Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any tax-exempt Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued thereunder and under Section 103 of the Internal Revenue Code of 1986, as amended, to the extent such requirements are, at the time, applicable and in effect. The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the tax-exempt Bonds. In furtherance of the foregoing tax covenants of this Section 3(a), the District covenants that it will comply with the instructions and requirements of that certain Tax Certificate to be executed and delivered by the District on the date of issuance of the Bonds, which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

### **SECTION 13. Book-Entry System.**

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities within each series of the Bonds. Upon initial issuance, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each global Bond shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF

THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any Redemption Notice (as defined in Section 29 below), (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) In order to qualify the Bonds for the Depository's book-entry system, the District is hereby authorized to execute and deliver to such Depository a letter from the District representing such matters as shall be necessary to so qualify the Bonds (the "**Representation Letter**"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (a) hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register. In addition to the execution and delivery of the Representation Letter, the District, and its deputies and designees, are hereby authorized to take

any other actions, not inconsistent with this Resolution, to qualify the Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall cause the issuance of bonds representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be represented by global bonds and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the District shall cause the execution and delivery of bonds representing the Bonds as provided below. Bonds issued in exchange for global bonds pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall cause delivery of such bonds representing the Bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully-registered global bond for each of the maturities of Bonds registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(e) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

#### **SECTION 14. Execution of the Bonds.**

(a) The Bonds shall be executed in the name of the District by the manual or facsimile signature of the Superintendent or the President of the Board and the manual or facsimile signature of the Clerk of the Board or by a deputy of any of such officers. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed on behalf of the District by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

**SECTION 15.** Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1, A-2 or A-3 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

**SECTION 16.** Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so

mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

**SECTION 17.** Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books. While the Bonds are held in the book-entry system, the Paying Agent is not required to keep the registration books.

**SECTION 18.** Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund of the District under the order of the County Office of Education. Thereafter, the Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

**SECTION 19.** Application of Proceeds. Upon the sale of the Bonds and except as otherwise directed by the District in accordance with applicable law, the Treasurer is hereby directed to deposit or cause to be deposited the proceeds thereof, exclusive of accrued interest, any original issue premium and any amounts that may be directed by the District to be deposited into the Costs of Issuance Fund (as defined below), into the fund administered by the County Office of Education for the account of the District and designated as the "Lancaster School District General Obligation Bonds, Election of 2012, Series 2013 General Obligation Building Fund (the **"Building Fund"**) or into any other fund administered by the County Office of Education for the account of the District or established, held, and maintained by the County

Office of Education for the account of the District (any such fund the **"Other District Fund"**), as directed by an Authorized Officer, to the extent consistent with the applicable provisions of the Code, the Authorizing Law or any Nonarbitrage Certificate. The District shall, from time to time, provide written instructions to the County Office of Education requesting disbursement from the Building Fund or any Other District Fund to pay the Project Costs. Amounts in the Building Fund shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the Building Fund. The County shall not be responsible for the use of these funds.

In addition to deposits into the Building Fund, Costs of Issuance Fund, or any Other District Fund, in the event that an Authorized Officer of the District deems it in the District's best interest to prepay the 1997 Prepaid Certificates, a portion of the proceeds from the sale of the Bonds may be deposited with the 1997 Escrow Agent for deposit into an escrow fund for the prepayment of the 1997 Prepaid Certificates established under the 1997 Escrow Agreement (the **"1997 Escrow Fund"**). The amount deposited shall be sufficient to purchase Federal Securities (as defined in the 1997/2008 Trust Agreement) and/or hold uninvested an amount or amounts of cash needed to pay the 1997 Prepaid Certificates in accordance with their respective terms and as set forth in the 1997 Escrow Agreement. Certain unspent amounts held in the funds and accounts established for the 1997 Certificates may also be transferred to the 1997 Escrow Agent for deposit into the 1997 Escrow Fund established under the 1997 Escrow Agreement.

In addition to deposits into the Building Fund, Costs of Issuance Fund, or any Other District Fund, in the event that an Authorized Officer of the District deems it in the District's best interest to refund the 2006 Refunded Bonds, a portion of the proceeds from the sale of the Bonds may be deposited with the 2006 Escrow Agent for deposit into an escrow fund for the refunding of the 2006 Refunded Bonds established under the 2006 Escrow Agreement (the **"2006 Escrow Fund"**). The amount deposited shall be sufficient to purchase Federal Securities (as defined in the 2006 Indenture) and/or hold uninvested an amount or amounts of cash needed to pay the 2006 Refunded Bonds in accordance with their respective terms and as set forth in the 2006 Escrow Agreement. Certain unspent amounts held in the funds and accounts established for the 2006 Bonds may also be transferred to the 2006 Escrow Agent for deposit into the 2006 Escrow Fund established under the 2006 Escrow Agreement.

In addition to deposits into the Building Fund, Costs of Issuance Fund, or any Other District Fund, in the event that an Authorized Officer of the District deems it in the District's best interest to prepay the 2008 Prepaid Certificates, a portion of the proceeds from the sale of the Bonds may be deposited with the 2008 Escrow Agent for deposit into an escrow fund for the refunding of the 2008 Prepaid Certificates established under the 2008 Escrow Agreement (the **"2008 Escrow Fund"**). The amount deposited shall be sufficient to purchase Federal Securities (as defined in the 1997/2008 Trust Agreement) and/or hold uninvested an amount or amounts of cash needed to pay the 2008 Prepaid Certificates in accordance with their respective terms and as set forth in the 2008 Escrow Agreement. Certain unspent amounts held in the funds and accounts established for the 2008 Certificates may also be transferred to the 2008 Escrow Agent for deposit into the 2008 Escrow Fund established under the 2008 Escrow Agreement.

Any amounts that remain in the Building Fund at the completion of the Projects shall be transferred to the Debt Service Fund (defined below) to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Nonarbitrage Certificate.

**SECTION 20.**        Payment and Security for the Bonds. The Board of Supervisors shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct ad valorem tax upon the taxable property in the District in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The District hereby pledges as security for the Bonds and the interest thereon, and the County is directed to deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "**Pledged Moneys**"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds.

**SECTION 21.**        Debt Service Fund.

(a) Except as shall otherwise be directed by the District in accordance with applicable law, the Treasurer is hereby further directed to deposit or cause to be deposited any accrued interest and any original issue premium received from the sale of the Bonds in the fund established for the account of the District and designated as the "Lancaster School District General Obligation Bonds, Election of 2012, Series 2013 Debt Service Fund" (the "**Debt Service Fund**") to be used only for the payment of the Principal of, premium, if any, and interest on the Bonds. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds, except as provided in any Nonarbitrage Certificate.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(c) On the Business Day immediately preceding each Interest Payment Date if the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "**Debt Service**") on such Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District may from time to time, from other available sources, cause moneys to be transferred or deposited to the Debt Service Fund, including as to the extent needed

to comply with any Nonarbitrage Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the credit of the general fund of the District subject to any conditions set forth in any Nonarbitrage Certificate.

(e) Except as required to satisfy the requirements of the Code or to comply with the provisions of any Nonarbitrage Certificate, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal and interest on the Bonds when due.

**SECTION 22.**      Establishment and Application of Excess Earnings Fund.

There is hereby established in trust a special fund designated "Lancaster School District General Obligation Bonds, Election of 2012, Series 2013 Excess Earnings Fund" (the "**Excess Earnings Fund**") which shall be held by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys from the Building Fund, or any other fund, as applicable, to the Excess Earnings Fund in accordance with the provisions of the Nonarbitrage Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Nonarbitrage Certificate.

**SECTION 23.**      Payments of Costs of Issuance. The District may, but shall not be obligated to, direct that a portion of the proceeds of the Bonds be deposited into a fund established and held by the Paying Agent for the account of the District and designated as the "Lancaster School District Cost of Issuance Fund, Election of 2012, Series 2013" (the "**Cost of Issuance Fund**"). Any amounts deposited in the Costs of Issuance Fund shall be disbursed to pay costs of issuance. Any amounts remaining in the Costs of Issuance Fund on the date that is six months after the issuance of the Bonds shall be deposited in the Building Fund and applied to the payment of Principal and/or interest on the Bonds unless otherwise provided in the Nonarbitrage Certificate or unless instructions are given by the District on the advice of nationally recognized bond counsel. The Cost of Issuance Fund may be held by the Paying Agent or the County, or any other party as is designated by the District, the Paying Agent or the County in accordance with the provisions of the Authorizing Law.

Notwithstanding the existence of the Costs of Issuance Fund and in addition to the Costs of Issuance paid from amounts held in that fund, some or all of the costs of issuance may be deposited into the Building Fund or any Other District Fund, or may instead be paid by the Underwriter on behalf of the District. The Underwriter may use a third party, including but not limited to the Paying Agent, to administer payment of costs of issuance on behalf of the Underwriter. Any amounts retained by the Underwriter for payment of Costs of Issuance and returned to the District pursuant to the Contract of Purchase shall be transferred to the Debt Service Fund to be applied to the payment of Principal of and/or interest on the Bonds.

**SECTION 24.**      Negotiated Sale/Engagement of Consultants.

(a) The Bonds shall be sold by negotiated sale inasmuch as: (i) such as sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to finance and fund public school facilities; (ii) such

a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; and (iii) such a sale will allow the District to control the timing of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for favorable sale of the Bonds to such market.

(b) Caldwell Flores Winters, Inc. has been selected to act as financial advisor to the District and Nixon Peabody LLP has been selected as the District's bond counsel. An Authorized Officer is hereby authorized and directed to select the Underwriter for the Bonds and present the identity of such Underwriter to the Board for disclosure at the public meeting first occurring after such Underwriter has been selected in compliance with Government Code Section 53508.9(a)(4). The estimated costs of issuance (exclusive of the cost of bond insurance and underwriter's discount) associated with the bond sale are \$300,000 or approximately 1.0% of the not to exceed amount of \$30,000,000, and include the financial advisor and bond counsel fees, costs of printing the Official Statement, rating agency fees, fees and expenses incurred in connection with the Election, the initial fees and expenses of the 1997 Escrow Agent, 2006 Escrow Agent and/or the 2008 Escrow Agent and counsel, if any (including without limitation, origination fees and first annual fees payable in advance) and the fees and expenses of one or more verification agents in connection with the prepayment or refunding, as applicable, of the 1997 Prepaid Certificates, 2006 Refunded Bonds and/or 1998 Prepaid Certificates, paying agent fees, and other related costs. In addition to the estimated costs of issuance listed in the prior sentence, the estimated underwriter's discount is 0.8% of the par amount of the Bonds. An estimate of the itemized fees and expenses is on file with the Superintendent. Bond insurance may be purchased only if determined that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof pursuant to Section 44 hereof. In addition to the estimated costs of issuance described above, bond insurance, if purchased, is estimated to cost approximately \$400,000.

**SECTION 25.** Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the Treasurer, the County Office of Education or the District may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

**SECTION 26.**      Request for Necessary County Actions    The Board of Supervisors, the Auditor-Controller, the Treasurer, and other officials of the County, are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of, redemption premium, if any, and interest on the Bonds as the same shall become due and payable as necessary for the payment of the Bonds, and the Clerk of the Board is hereby authorized and directed to deliver certified copies of this Resolution to the Clerk of the Board of Supervisors of the County, the Auditor-Controller of the County, and the Treasurer. The Board hereby agrees to reimburse the County for any costs associated with the levy and collection of said tax, upon such documentation of said costs as the District shall reasonably request.

**SECTION 27.**      Redemption.

(a)      The Current Interest Bonds and Convertible Capital Appreciation Bonds shall be subject to redemption as provided in the Contract of Purchase.

(b)      The Capital Appreciation Bonds shall not be subject to optional redemption, except as otherwise provided in the Contract of Purchase. The Capital Appreciation Bonds shall be subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on the dates, if any, in the years and in an amount equal to the aggregate Accreted Values as and to the extent set forth in the Contract of Purchase.

**SECTION 28.**      Selection of Bonds for Redemption. (a)      Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Payment Date designated for such redemption, shall select the maturities and mandatory sinking fund payments (if applicable) of Bonds for redemption in the manner directed by the District. If the District fails to specify, the Paying Agent shall select Bonds for redemption in inverse order of maturity.

(b)      With respect to Bonds designated as tax-exempt Bonds, within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof and the portion of any Convertible Capital Appreciation Bond to be redeemed in part shall be in the Conversion Value of \$5,000 or any integral multiple thereof. The Accreted Value of such Capital Appreciation Bond or Convertible Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

(c)      With respect to any Bonds designated as Federally taxable Bonds, if such Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of such Bonds, if less than all of such Bonds of a series and maturity are called for prior redemption, the particular Bonds or portions thereof to be redeemed shall be selected on a "pro rata pass through distribution of principal" basis in

accordance with DTC procedures, provided that, so long as such Bonds are held in book-entry form, the selection for redemption of such Bonds shall be made in accordance with the operational arrangements of DTC then in effect that currently provide for adjustment of the principal by a factor provided by the Paying Agent pursuant to DTC operational arrangements. If the Paying Agent does not provide the necessary information and identify the redemption as on a "pro rata pass through distribution of principal" basis, such Bonds will be selected for redemption in accordance with DTC procedures by lot. It is the District's intent that redemption allocations made by DTC, the DTC Participants or such other intermediaries that may exist between the District and the Beneficial Owners be made on a "pro rata pass through distribution of principal" basis as described above. In the event that such Bonds are no longer held by DTC or a successor securities depository, such Bonds shall be selected for redemption in the manner selected by the District in its sole discretion.

**SECTION 29.** Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the date designated for such redemption, or such shorter time as is agreed by the Paying Agent, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price or Accreted Value, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part, and, in the case of any Bond to be redeemed in part only, the Principal Amount or Accreted Value, as appropriate, of such Bond to be redeemed, and (g) the original issue date, interest or accretion rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed (i) the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, (ii) the Accreted Value in the case of Capital Appreciation Bonds, (iii) in the case of Convertible Capital Appreciation Bonds from and after the Conversion Date, the redemption price, together with the interest accrued to the redemption date or (iv) in the case of Convertible Capital Appreciation Bonds on or prior to the Conversion Date, the Accreted Value, and in each case that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(a) In the event that the Bonds shall no longer be held in book-entry-only form, at least 20 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, (iii) overnight delivery service, to each of the Securities Depositories, or (iv) other delivery method approved by the applicable Securities Depositories.

(b) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be submitted to the MSRB in electronic format or other format as prescribed by the MSRB.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

**SECTION 30.** Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

**SECTION 31.** Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for the payment of their redemption price, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 27 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Section 27 shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

**SECTION 32.** Paying Agent; Appointment and Acceptance of Duties.

(a) The District appoints the Treasurer act as the initial authenticating agent, bond registrar, transfer agent and paying agent (collectively, the “**Paying Agent**”) for the Bonds and consents to the Treasurer contracting with a third party to perform the services of Paying Agent (which third party designee shall initially be U.S. Bank National Association) pursuant to this Resolution.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

**SECTION 33. Liability of Paying Agent.** The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

**SECTION 34. Evidence on Which Paying Agent May Act.** The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

**SECTION 35. Compensation.** The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution.

**SECTION 36. Ownership of Bonds Permitted.** The Paying Agent or the Underwriter may become the Owner of any Bonds.

**SECTION 37. Resignation or Removal of Paying Agent and Appointment of Successor.**

(a) The initial Paying Agent may resign from service as Paying Agent at any time. Prior to such resignation a new Paying Agent shall be appointed by the District in accordance with applicable law, which shall be the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written acceptance thereof. Resignation of the initial or a successor Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) Any successor Paying Agent appointed may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, a new Paying Agent shall be appointed in accordance with applicable law, which shall be either the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District in a format mutually agreeable to the Paying Agent and the District. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written

acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor. The District shall promptly provide notice of the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of the Bonds by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

**SECTION 38.** Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts, subject to any conditions set forth in the Nonarbitrage Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Building Fund, the Excess Earnings Fund and the Debt Service Fund shall remain on deposit in such respective funds except as provided in the Nonarbitrage Certificate.

**SECTION 39.** Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

**SECTION 40.** Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that so long as a Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification without the express consent of all Owners. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

**SECTION 41.** Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms;

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

**SECTION 42.** Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no such Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof from taking any action pursuant thereto.

**SECTION 43.** Defeasance. If all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

- (1) by paying or causing to be paid the Principal, premium, if any, and interest on all Bonds Outstanding, and when the same become due and payable;
- (2) by depositing with the Paying Agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the Debt Service Fund (and the accounts therein other than amounts that are not available to pay Debt Service) together with the interest to accrue thereon without the need for further investment, is fully sufficient to pay and discharge all Bonds Outstanding at maturity thereof (or on the redemption date therefor), including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

- (3) by depositing with an institution to act as escrow agent that meets the requirements of serving as successor Paying Agent pursuant to Section 37 selected by the District, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient to pay and discharge all Bonds Outstanding at maturity thereof (or on the redemption date therefor), including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to all Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 35 hereof. Any portion of the Bonds may also be paid and discharged as provided above.

**SECTION 44.** Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if an Authorized Officer determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

**SECTION 45.** Approval of Actions; Miscellaneous. The Authorized Officers, are, and each of them acting alone is, hereby authorized, jointly and severally, to execute and deliver any and all documents (including but not limited to the 2006 Escrow Agreement, if the Authorized Officers, or each of them acting alone, deem it in the best interest of the District to be a party thereto) and do and perform any and all acts and things consistent with this Resolution and necessary and appropriate to carry the same into effect and to carry out its purpose. The Authorized Officers are, and each of them acting alone is, hereby authorized, jointly and severally, to give any direction necessary or desirable to affect the refunding or prepayment, as applicable, of the 1997 Prepaid Certificates, the 2006 Refunded Bonds, or the 2008 Prepaid Certificates, to the Corporation, the Authority, the 1997 Trustee, the 2006 Trustee, or the 2008 Trustee, as applicable. Such actions heretofore taken by such Authorized Officers or any other officer, official or staff of the District are hereby ratified, confirmed and approved.

(b) The County, its Board of Supervisors, officers, agents, and employees shall not be responsible for any proceedings or the preparation or contents of any resolutions, certificates, statements, disclosures, notices, contracts, or other documents relating to the sale and issuance of the Bonds.

(c) The principal of and interest and redemption premium (if any) on the Bonds shall not constitute debt or an obligation of the County, its Board of Supervisors, officers, agents, or employees, and the County, its Board of Supervisors, officers, agents, and employees

thereof shall not be liable thereon. In no event shall the principal of and interest and redemption premium (if any) on any Bond be payable out of any funds or property of the County.

(d) The Clerk of the Board shall send a certified copy of this Resolution, together with the final debt service schedule for the Bonds, to the Treasurer, the County Auditor-Controller and the County Counsel.

**SECTION 46.** Rescission of Previous Resolution This Resolution rescinds and supersedes the Previous Resolution.

**SECTION 47.** Conflicts If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Contract of Purchase, the Contract of Purchase prevails to the extent of the inconsistency or conflict. The Bonds of this issue are comprised of \$\_\_\_\_\_ Principal Amount of Lancaster School District General Obligation Bonds, Election of 2012, Series 2013. The Bonds of this issue are comprised of \$\_\_\_\_\_ Current Interest Bonds, of which this Bond is a part [\$\_\_\_\_\_ initial principal amount of Capital Appreciation Bonds and \$\_\_\_\_\_ Conversion Value of Convertible Capital Appreciation Bonds.] This Bond is issued by the District under and in accordance with the provisions of (i) Chapter 3 of Part 1 of Division 2 of Title 5, Article 4.5 of the California Government Code, as amended, (ii) applicable provisions of the Education Code of the State of California and (iii) Article XIII A of the California Constitution (together, the **"Authorizing Law"**), and pursuant to that a resolution adopted by the Board of Trustees of the District on February 5, 2013 (the **"Resolution"**). Reference is hereby made to the Resolution, a copy of which is on file with the Clerk of the Board of the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution.

This Bond is a general obligation of the District, payable as to Principal, premium, if any, and interest from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitutes a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that so long as any Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything in the Resolution to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification hereof without the express consent of all Owners.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Authorizing Law and that all of the proceedings of the Board of Trustees of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Authorizing Law and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Authorizing Law.

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; provided, however, that so long as any Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal

Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof without the express consent of all Owners. No such supplemental resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything in the Resolution to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

The Table of Accreted Values attached hereto as Schedule I has been prepared and furnished by the Underwriter and the District takes no responsibility for any inaccuracies therein.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Authorizing Law and that all of the proceedings of the Board of Trustees of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Authorizing Law and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Authorizing Law.
